## VXM4 MATRIX CCTV SYSTEM KITS

**3 YEAR WARRANTY**

When choosing a CCTV system for Professional Retail or Industrial use the VXM4 is ideal. This advanced machine records 4 to 16 channels as stand alone modules. But when networked and controlled by the VA-Keyboard 256 channels may be controlled simultaneously. This is not just a Video Recorder it has a built in Multiplexer and Matrix for multi channel display output control. VXM4 features advanced MPEG4 video and audio compression with total remote control over Live Video, Archive Video Playback, 2 way audio, PTZ camera transmission and individual channel programming. Archiving video evidence couldn't be easier as the built in DVDR delivers footage with player in compliance with data and CCTV regulations.

The following systems are compiled and offered as examples only for assistance in designing a system for your application please contact our design and support team.

### 2 x VXM4-8 Channel DVR's with 16 External Fully Functional, 2 x flat monitors, 1000 Gb Archive, DVD Backup, Cable and Data Legislation- Compliance kit

|    |  |                |   |
|----|--|----------------|---|
| 16 |  | VHSD-870EXT    | <b>EXTERNAL HIGH SPEED DOME - WALL MOUNT CAMERA KIT PTZ SONY</b> exview 1/4" colour/mono 480TVL/520 mono, 18X optical zoom, 12xDZ 0.7 lux day,0.01 night,127presets,4 pattern tours, variable speed tracking, alarm inputs 8in/4out, AWB, AGC, BLC, OSD, Privacy zones 24V AC.
